To Whom It May Concern

This is to certify that **Amalathas Sherin Mirnalini** has completed her internship with **Techmythra Technologies LLP**. The internship period ran from **16 th December 2022** to **16 th March 2023**, and focused on **Graphic Designing**.

During the internship period she was diligent and proactive in completing her assignments and was also a quick learner. She also actively participated in the company's projects as a team player

We wish her a bright future.
